“ So sorry to see the passing of my dear friend Ann. I dont know if you remember me Beth but while your mother lived in Carrollton I was her hairdresser up the street from her house. I met you and a brother a few times. Over the years since she moved to Florida I tried to contact her thru Kate Cable. One day while I was away your mother called me and left a message but at the time I did not have caller id nor did she leave a phone number, but she was always on my mind. I have such fond memories of her and although I havent talked to her in years I have always missed her. (I knew that the 2 of you went on to be Dr.s and even tried looking you up to see if I could find her.) I just wish I could of located her in all those years. Please know how very sorry I am for you children. Sincerely Sue and my family

“ I am so sorry for the loss of your loved one. It is not easy to lose someone we love Jesus said in John 5:28 "the hour is coming in which all those in the graves will hear my voice and come out."
