“ Our hearts are saddened to have lost a friend of so many years but we know it doesn't compare to what you feel. Thinking of you all and hoping you can find comfort in your memories of good times with a great guy. RIP John

“ You always made me feel safe when we were together, and we always laughed so hard that our stomachs would hurt. I am so glad that we made our memory book that I will always cherish and keep forever. Thank you for all the memories and I will miss our regular phone calls.
