“ *Lynn, I cannot express how truly sorry I am about Drew's passing. He was Roger's closest and dearest friend and I'll forever be great full for the times they spent together. It's so hard to understand why they were chosen to be taken away from us but I'm sure they are together jamming up a storm. Again there are no words to express how sorry I am but take comfort he is in a better place with loving company. God bless you and give you and his family the peace and strength to get through at this time. Love, Robin Imburgia (Sochasky).*

“ *Every August, we looked forward to seeing Drew "fight the waves" at Windy Shores II. His work ethic was so strong that he brought a car full of computers, just to keep up on things. It was only the calling of the sea that would break his trance and bring him outside.*

We will miss him terribly. The McRobbies
