“ My heart and prayers go out to her 2 children that she loved, protected, and adored. Autumn ... I met you a handful of times. You were very impressionable and unforgettable. I'll always remember Mimosa's as our fave drink...with Sabrina of course. It was a pleasure knowing you and rest easy until we finish up here and meet again.

“ *Trista and Damon, your mother, and Jason, your partner Autumn, was a very special person. She loved deeply and gave and gave, uncaring of the toll it took on her own life and health. She truly had a beautiful soul and was willing to share it with everyone. Her family meant everything to her. Much was expected of her, and she gave all she had and more. I will miss her so very much, and please know, she is at peace and watching down on all of you. Thank you Autumn for everything you did for everyone, and for all the love you gave to so many of your friends and your family. We will remember you always, we wish you well, and may God keep you in his arms forever*

Love and miss you.

“ Dear April, Holly and family:

I remember meeting Autumn in junior high when we all came together as one tiny school of kids from other tiny schools. Even now, almost 30 years later, I remember how Autumn smiled. I admired her kindness and ease with others. I had no idea how another kid was already so happy to be herself, but I really loved the way she was so Autumn, so easily. I've caught glimpses over the last years via social media, and I always have the same thought- Autumn is so full of love and kindness.

I can't imagine the heartbreak faced by your family. Please know that Autumn will always inspire those memories of happiness and kindness. I'll keep remembering that and sending your family love when I do.

“ *I have no words for your loss. My memories of Autumn, April and Heather go way back. I remember playing in your big playroom and cooking in your moms kitchen. Autumn you always asked about Julz and you two could pick up right where you left off. Your smile was as big as your heart! You will be truly missed! Prayers to your family.*
