Avis Diane Payne (Yahraus)

On July 14, 2020, The Absolute Sovereign, in His Perfect Wisdom, Himself welcomed home his daughter Avis. Many of us had the privilege and pleasure of sharing life with her. In lieu of flowers we ask you remember Avis as she approached her life with us. Never one to throw money at anything, it was her normal to pause, consider, and then roll up her sleeves. We encourage you to do likewise and think of her as you take action.
