“ Will always remember Barb and how she enjoyed playing music at Carrollton First United Methodist Church years ago. What a talented and lovely soul she was. Heaven gained quite an Angel. Prayers for family and friends 🙏🙏

“ Barb was a very special lady. A word that comes to my mind to describe her is "encourager." Her cards she sent were thought through and filled with uplifting words. My husband and I will miss her greatly, so very sad to part with her but...it's just for a time, we will see her again!  
Our condolences go out to her family.
