“ We want to extend our sympathy to each of you. Betty was such a wonderful lady! Always caring and kind. Her invites to sit with her at church made it easy for me to come by myself, because I always had a friend to sit with! And even as I moved away, I always got a hug when we saw each other! I loved hearing about her grandchildren! May peace fill your hearts.

“ My condolence to Betty's family. I always felt like we were distant cousins as we had the same "Uncle Will." She will be missed.
