“ My deepest sympathy to the family and all who knew Dean. A greater friend, gentleman and mentor never lived. He will be missed by many but his life will live on in the lives he touched and impacted, in his quiet meaningful way! I attribute much of my success in life to the influence he had on my life when I was a young person looking for direction. I have pastored for nine years now and often think of Dean as I study God's Word. He was by far the greatest Sunday School teacher I ever had and instilled in me a deep love for the scriptures, especially the Old Testament. I will do my best to carry on your legacy, Dean. May you rest in peace on Heaven's bright shores!

I am so grateful for Dean & Pat being the Godly influence in my children's lives when they were young and the steady example of faith through the years for all who came across his path.
