“ Oh my Cissy... you were dynamite in so many ways. From being a little girl with “sparks coming out of your fingertips” as mom used to say, to being a dynamite and loving person to all of us. You loved everyone and did your best no matter the cost to you. I love you dear sister. Jeannie

Ms. 'Crissey' (as I knew her by) always Such a sweet and caring soul to work with... She always gave 110% even when she wasn't feeling the best. She was an exemplary nurse, and a true asset to Carroll Health Care and of course, as what she showed as most important to her; all the residents she served... Will miss your smiles, laughter, & joy You brought to the difficult setting we've all been tasked to work in, in recent years!? Although I was personally working elsewhere since 2022... the time spent with you was a true Blessing! Your LOVE of Family/ Your boys and babies & Friends/ all who were 'Lucky' enough to know you, shown though @ work in the care to our residents... 🕊️ PEACE W/ your Family, & You, Sweet Lady in ETERNAL REST.

“ She was a true & caring spirit. Her nursing skills were the best. She was 1 of the many that trained me for my first LPN job at Carroll Healthcare Center and her abilities were exceptional. Will definitely miss her. Praying for the family during this difficult time.

“ She was a wonderful person. She was always helping someone. I worked with her at my first nursing job, and she was always willing to help someone learn or work with you to learn together if she didn't know.
