

Darlene R. Chowning

September 30, 1959 - October 19, 2023

Darlene R. Chowning, 64, of Carrollton, passed away on Thursday, October 19, 2023 at Aultman Hospital in Canton, Ohio.

A daughter of Richard Harris and Sandra Dodson, she was born on September 30, 1959 in Bedford, Ohio.

She was a kind soul that lived to help others; her door was always open to anyone in need. No matter what she was going through, she would find a way to make you smile. Her joy in life came through the happiness of others. She loved to do whatever people said she couldn't do. She always found a way to achieve the impossible. Her favorite things to do were to go for a drive , work on her home, or spend time with friends and family.

Darlene is survived by her two sons, William and Stanley Zack.

A graveside service was held in Perrysville Cemetery.

Tribute Wall

“ I got to see her about a week or so more before Dar passed and I am so grateful for that. She had Ashes with her and she said, "Ashes is in the back waiting for you to pet her." I hadn't seen Dar since probably end of summer and Ashes since over a year ago. I am sorry she is gone, I just know she is where she wants to be now, with Paul. She was like the mom I shoulda had and taught me so much. We didn't always get along or like eachother but I am so glad I got to see her before this happened. I been having dreams about her too, just can't seem to remember much of them. She definitely had an impact on me and I wish I had been there to say goodbye, but I did not want be around certain people so I chose to say goodbye in a different way. I hope she understands. I talk to you in my dreams mostly anyways. Thank you for coming to see me that night. And to Stosh, I am so sorry about your mom and thank you for the message.
