“ Dear Ruth Ann, Jim & Connie, and family,

*My early memories are of playing baseball with David in the Amsterdam Babe Ruth league team for 13-15 year old boys. David played shortstop. We played on a field behind the Allensworth's store next to the creek that flowed through town. Also, I remember playing whiffle ball with David behind the Miller house around the same time period.*

*I remember with great fondness the Holligan side of his family.*

*Our deepest sympathy goes out to all the Miller family on the passing of David.*
