“ *Our heart aches at the loss of Dave. Not only was he our service man for 20 years, but he was our friend. Every morning he would walk through the door with a smile and a story. If he didn't show up, we didn't worry, because it meant he was babysitting his grandchildren or attending Grandparents Day at school. Dave enjoyed working on appliances. In many cases charging only what the customer could afford. He will be missed in this community. We would not be where we are today without his friendship and support. We will miss him dearly. Prays to Shirley, all the kids, grandkids and family.*
