“ *Aunt Deanna was such a special person I don't even know where to start. Every childhood memory seems to revolve around going to their house and playing with my cousins. Hearing the adults talk and Uncle Tom and my dad BSing. Seeming Grandma and Grandpa and it was always at Aunt Deanna and Uncle Tom's house. This year she helped me through losing my mom, her twin sister. Without her voice calming me down this year would have been unbearable. I will miss her just as much as my mom and dad!* ”
