“ My heart aches for you, Deidra, and your family. Truly, I want to be able to offer some sort of sage advice that brings peace and assurance, but only God can do it. The picture of your dad is perfect! I will always remember your parents and the way they welcomed people into their home with open arms, cared so deeply about everyone, and knew how to enjoy a good laugh. You have those same qualities. My plans were to attend the services; unfortunately, my supervisor scheduled me for two different meetings, so there's no way I can logistically make the trip, but my prayers and thoughts will be with you, Greg, Jill, Drake, and Decker. With Sympathy, Desra
