Donna was such a sweet lady full of grace and kindness. I will miss out daily conversations. She loved her family, especially those great grandchildren, always telling me what they were up to and we would laugh at the things they said or did. Bill always by her side, encouraging and caring for her. Such a special couple. Gone, but not forgotten Miss Donna...

“ *My deepest sympathy to you all! She was a very fun and kind woman. My first memory of her was when I thought I was lost in downtown Carrollton, and she told me to have a seat on the steps of the bakery, she gave me a chocolate chip cookie while I waited on my mother to find me. She always was so supportive of the arts in the school too. Her sense of humor was only outshined by her smile. May the peace and love of Christ be with you all in this time of sorrow.*
