“ Aunt Blondie was one of the most sweetest and feisty laid back irish lass anyone could of ever known. She made fried cabbage taste as good as a steak, everything she cooked was made with love and she made all of us feel special in her own way. I wish I had just one more day with her and a chance to tell her how much I loved her and what she meant to me. She had a huge impact in my life and shaped me into the person I am today. You will be sadly missed Aunt Blondie. God Bless To the family and friends of Donna Jean Potts (Blondie) . There will be a memorial and a celebration of her life on Saturday, May 8th at 2:00 pm, at the old church on 1st street in Burgholz (now called misfit gym) . All are welcome to come and share your memories and love for her. ( A covered dish would be appreciated but not necessary)
