“ Donna ...You will be forever in our hearts, fond memories and minds. Our deepest sympathy and condolences to all your children and their families.

We've shared so many great times over the years. Jim, the children and you opening your home and kitchen to my parents and I and vice versa. You were my "second" mom and a great friend. Most all of my childhood fun and cherished memories were of time spent with your children, Jim, your mom, your in-laws, your sis, your cousins and you!

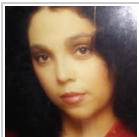

Dancing in the living room to Robin & your 45 records was always a blast. Swinging on the porch swing up at Grandma & Grandpa Tuckosh's side porch. Drying dishes and helping out was never a chore at your home.

You're beautiful both inside and out.

Rest in peace dear lady and save a spot in Heaven for us/me!

“ All I can say she will be missed. I've known her coming to Drugmart where I use to work. She was a pleasant lady with a great sense of humor. The little time we spent together we got to know each other even more, her laugh and smile. She missed her husband and loved her kids and grand kids. She loved the farm and loved life, well now you are with your husband and you both will keep an eye on your kids. God u gained another angel. Love and Miss you Donna.
