“ I broke the news to my mom this morning of the passing of her cousin and classmate, Doris. My mom enjoyed her time spent with Doris and would say they were the last living in their high school class. Their last 3 alumni years were spent riding on the class float and a celebration after. This picture is of the last time their class was honored in 2021. They celebrated 75 years. It took a couple of us to get them both off the truck but their smiles were priceless. May you all cherish the special memories you have of Doris.

Due to mom's health, we will not be able to attend the service. Please know we will be thinking of you and keeping you in prayer.

“ My "special Mom" was always so sweet, kind, and always had a big smile. That is the way I will always remember her. I have a lot of friends whose parents have all passed. They were all of our parents. We not only had our own parents but also had those other "special parents", too. May you rest in peace Mom! You will suffer no longer!

“ I worked with Doris at Robertsons in Malvern. She was a wonderful, soft spoken, hard working lady. Always a kind word for everyone. My deepest condolences to her family whom she spoke of often and loved dearly. So glad she crossed my path in this life. Such a gentle and strong woman. May she rest in peace.
