

## Dorothy (Dot) Bailey

February 10, 1932 - June 28, 2026

Dorothy (Dot) P. Bailey passed from this mortal life to join the angels in heaven on June 28, 2026. She met every challenge in her 94 years with stubborn determination and strength of character that could only inspire admiration and respect.

Dorothy grew up in Stark County Ohio with her seven siblings. She resided in Carrollton, Ohio until her passing with her husband and soulmate of 50 years, Larry K. Brackin. She is survived by her daughter, Janet Vance, grandson Samuel Vance, step-son William "Web" Brackin (Cindy Howard), step-daughter Rena Brook (Robert), six step-grandchildren, eight step-great grandchildren and her remaining sibling Evelyn Philpott.

Dorothy worked full time in the printing industry in Canton, Ohio for 45 years and held multiple part time jobs to support Janet and nephew Scott as a single mother with the help of her mother, Erma. She embraced life as a wife to Larry and step-mother to Web and Rena in 1976. She loved Larry and all her children, Janet, Scott, Web and Rena unconditionally. We will forever cherish her guidance, integrity, generosity and devotion.

Dot was an avid reader and loved crossword puzzles, which with her usual determination she worked in pen never pencil. She loved flowers and gardening and the peaceful beauty of living on the farm. She was a faithful

member of Trinity Lutheran Church in Carrollton and volunteered whenever possible.

She was predeceased by her cherished mother, Erma and father Lloyd Schrader, five brothers, a sister and her beloved nephew, Scott Fraser.

A memorial service and celebration of life will be held at Trinity Lutheran Church in Carrollton on a date to be announced.

GR

“ I met Dorothy and Larry during the time I was the part time church Secretary at Trinity Lutheran Church. It has been several years since I had seen either Dorothy or Larry until this Spring. Was really nice to see and speak with them. May God bless her family with His peace and comfort during this time.
