“ Morgan, we never had the pleasure of meeting you. But oh, how I loved your mom. We worked together in the late 70's, early 80's. My dad (Archie) always loved Bonnie too. She was such a good worker, but will always be remembered as the one who could laugh and smile through anything. I think that is what I loved most about her. And she really was a confidante for me when working there. I cannot think about her without smiling. She was such a treasure. But you know that. I wish I had known your dad better, but of course, we didn't work together. Memories are like flowers in a garden, Morgan. You can go there, and gather a bouquet anytime you need to, breathe in the fragrance, and remember all you loved about your mom and dad..... and then push through and carry on. And know we will continue to pray for you in the days and weeks ahead. Rennie and Mark Cubberley

“ Bonnie was my best friend in high school. We have remained friends all these years. Whenever I would see Bonnie it was just like time stood still. We would talk and laugh just like back in the day. I will always love Bonnie and know she is in Gods hands now along with Frank. I went to school with Frank also. I do have some very funny things I remember about him.god bless you Morgan , just stay strong. Kathie McCoy Long
