“ Gary was my cousin. My brother Lee and I spent time with him as kids but seldom saw him after we moved to California. When we had a chance to spend time with Gary and Rita we had a great time. Uncle Furm and Aunt Freda were dearly loved by our family. We lived in the country near Minerva. It was Halloween and we went to the big city (Carrollton) to go trick or treating with Gary. I was about six. While my mother was helping me get into costume, Lee and Gary left me!! And didn't come back till the evening was over. Mean boys! When I was about 12, Lee and I were visiting Gary and he was riding his bicycle. I ask him if I could ride his bike and he said, "No girl will ever ride my bike!" I reminded him of all this as adults and, of course, he didn't remember. Despite that, Lee and I loved our cousin and Uncle Furm once told me that Gary thought of me as his sister. Fond memories. My condolences to Rita and family.
