“ I always enjoyed camping with George and Norma as part of the Night Owls.. I'm trying to recall what they called each other -- I know Norma was "The Warden," and was George "Grumpy"?? :) He was quite the character! My condolences to Georgia, Randy and family.

“ Our deepest condolences to the family of Uncle George on his passing. He will be dearly missed. I met Uncle George 67 years ago. He and his Dad Kenneth, my Grandpa, drove me down into West Virginia to have a look at a huge coal excavator at a mine site. It was a great time for a 16 year old from Alberta, Canada. Lots of friendly banter and chin wagging between father, son, and grandson! Great memories of Uncle George.

“ I am so sorry for your loss. My thoughts and prayers are with you and your family!

George was a special man! He had a smile that could brighten up a room and his laugh will be greatly missed. Anytime I came to visit he always talked about Norma! Oh how he loved her so! He loved showing me her Christmas cactus that he made sure to continue to take great care of! Anytime I went to visit he was always a busy body. He either mowed for hours, tinkered around in his garage, or found another car show to go to, to add another trophy to his rather large collection. He was truly a wonderful person and a great friend! He is greatly missed already! Until we meet again my friend!
