“ *I just heard that Gladys had passed away. I am truly sorry for her family's loss. You are all in my prayers. She will be truly missed. She really was a great person. But even greater than that, was her ability to sew anything. She made all of my clothes fit. For that, and her I will be eternally great ful.
Thank you, Gladys.*

“ My sympathy goes out to the entire Barnes family. Gladys will be greatly missed not only by our family but also by the entire town of Amsterdam. Her unwavering strength as a volunteer at the church and library was outstanding. She took the entire community under her wing, willing to assist whenever and wherever she was needed.
