“ *I met Glenn in 9th grade. He was the shortest member in our class. He grew as we went to graduation. I started helping him in on the farm and gave Glen two laughs one doing hay. I was stacking hay off the bailer when I found a live snake in the bail an do jump off wagon and rolled. G Slammed the break and he fell off the tractor laughing . but we never found the snake.. He never forgot it. We worked both at Sumitville tiles. Glenn is my best friend and my brother ( no blood related. G will always be in heart and mind. His kids are my family*
