“ Danny was a very special man, and I didn't get to know him that well.....but I KNEW he was special to David and Woody. So, that made him special to me. He did such a great job speaking at Woody's burial...bless his heart. Then he helped me kick David in the butt to get him to go to a Doctor.....Gosh those guys could be stubborn.....Hugs and love to ALL the family....my heart breaks for you folks.....it's so hard to let go.....I know....best wishes

Danny will always be 18 in my heart and memories. Remember his basketball trick? He was famous for planting himself in front of the ball carrier...and getting knocked on his butt! Then he would pretend to be injured so the ref would call charging on the other guy. If the ref DIDN'T, Danny's theatrics turned to the "astonished-at-such-a-bad-call" dramatics. He did it over and over throughout the season, and knowing what he was up to had me in stitches while waiting for him to do his "act". What a joy it was to be his CHS friend! He would say something sweet and then his cheeks would turn bright red and he'd get that special smile of his on his face.

As I read his obituary, I could picture him going through life helping others in his sweet way. It was a blessing to know of his many accomplishments after we all went our separate ways after graduating, and losing touch until our class reunions. Danny will always hold a special spot in my heart. RIP my friend. 🥺

“ *Our hearts are sad upon hearing of Danny's passing. He was always Woody's little brother. Woody was so proud of Danny's achievements. May he fly on eagle wings, high into the sky, to heaven. Praying for your family. John and Rita*
