“ Uncle Harry was an extremely good man and an important figure in my life. He was a hard worker who spent 45 plus years working at Timken Roller Bearing in Canton. He was always dedicated to his family. He faithfully served our great nation in the US Army Corps of Engineers during the Korean War. He had one of the best senses of humor I ever encountered and was always the life of family social events, many of which he had personally organized. He was a huge Cleveland Browns and Pittsburgh Pirates fan. Rest in peace uncle Harry and know that you had many people, most especially me, that looked up to you, respected you and admired you for the good man that you were.
