“ *To the family. I was the secretary for Red for many, many years. He was such a great man. There wasn't anything that I did for him that he always thanked me. I told him many times that he didn't have to thank me because I got paid to do what I did. He still thanked me. I kept in touch with him in Carrollton and he said he really got good care there. He was a fantastic person to work with and I will never forget the great times we had at Western Branch Diesel. I will certainly miss him. You have my deepest sympathy for your loss. Karen McClain*
