“ Every time I saw her, she had a planting trowl in her garden gloved hands. Looking just like the mother earth herself. On her knees and out side with a bright Sun shining on her. Just took my breath a way with her warm smile. And easy laugh. She will always be in my thoughts

“ I knew her only briefly but I knew she was special. I liked her. When I worked at Gordon's Graphics in Malvern 3+ years ago, I would typeset the certificates for the Euchre Club. We worked easily together. I'm sorry she's gone from us. Peace be with her family and friends.
