

## Jared Austin Butler

April 18, 1997 - March 31, 2020

Jared Austin Butler, 22, went to be with our Lord and savior on March 31st, 2020. Jared was loved by many and will live in the hearts of all those whose lives he touched. Jared's smile and laugh could brighten anyone's day and he was always there to rush to the aid of those who needed him. He loved watching movies and collecting them, reading, especially Stephen King novels, walking, music of all kinds, and Auburn Football, War Eagle! He was adored by his parents, Steven and Ameer Butler and Thomas and Jessica Beyette. He also had three little brothers that looked up to him, Brian Welch, Kegan Corbin and Brayden Beyette. He also had a younger sister that for many years were inseparable and Jared was always there when she wanted or needed something and was always willing to sacrifice anything for her, Hannah Butler whose now a mother herself to Cohen Butler who will learn to love Jared the way we did through our stories and memories of him. Not a day goes by that we don't think of our angel in heaven, not a moment passes that he isn't missed, not a second passes that a treasured memory of him doesn't dance in our hearts. We wanted to thank those who have been a part of Jared's life and helped with the molding of the young man he was. He loved every single one of you in ways that only Jared could love, the purest love there is. Jared will be greatly missed but we were all so honored to have got to have him even for the short 22 years we did.
