“ *There is nothing in this world like the brilliant radiance of a smile and laughter given to us by those we love. Angels on Earth, they are called by the Father to be with Him in His time. For He needs angels to watch over us all, and give us hope that our lives have a meaning and a purpose. He has called one, and has taken her to give her new responsibilities, to watch over us all. Thank you for our time with her, and for giving us the hope of seeing her again. Jean was a special angel, and we feel saddened by her leaving. Know that you are all in our prayers, and that she is still taking care of you, and watching over you with her own tender smile. God bless you and keep you. You will see her again.*
