“ I have know Joann since jr high. We use to walk to each others house which is one big hill to get to her house. We had many good times together during high school and after we graduated. She was a lot of fun and will b missed. My deepest sympathy to the family, Sherry artzner

“ What can I say about Joanne, more known as Turk. She was an amazing person. I worked with her for quite a while at Napa warehouse in Carrollton, she was really fun to pull parts with talk with and even have a couple laughs with. She always came to our party that we always had in August and one of my fond memories of her being there was she would always say Maryann I'm hungry and I want some of your macaroni salad can we start the Food Line and she was always the first one there . she was a great friend and a person that will be very missed. You will be deeply missed love Maryann and Bud Smith
