“ *The Lucas family is one of the kindest I have ever known. Jeff, Rose, Kathy and Boog were great friends, Sunday School buds and square dance pals. I have fond childhood memories that include you all. I didn't know your dad well but I loved your smiling mom. You are the products of two wonderful parents! Love and condolences to all.*

“ *I am so sorry to hear of John's passing. I remember playing baseball at the 5th St. fields back in the 70s, and getting drinks of water from his garden hose. I would always share that story with him. I got to visit with him a little bit this past week. I'm sure he was in pain, but he always had a smile for me. My prayers to Trudy and the family.* *Dan Ries*

My condolences to Johns entire family. I have so many memories of the Christmas parties the Carroll County VFD had. Trudy and John were a wonderful couple and Gary and I truly enjoyed their friendship.

We are so sorry for your loss in John's passing. I remember when, years ago, John's mom was working in the green house and we had just moved into Carrollton. The entire family welcomed us and we were so appreciative. John was so kind and such a super family man. He was dedicated to caring for others in any way he could. He and Trudy raised a wonderful, family, his legacy, to follow in his footsteps. He is healed and comfortable in heaven.
