

Dr. John Wayne Walters

April 30, 1945 - January 22, 2024

Dr. John Wayne “Doc” Walters, 78, of Carrollton, went to be with his Lord and Savior, while being surrounded by his loving family, on Monday, January 22, 2024 at Centreville Village in Carrollton after a long battle with brain cancer. Doc was a faithful member of The Bridge, a satellite of the Carrollton First United Methodist Church, and dedicated his life to serving others. He was a board member, served as a lay leader, and went on several mission trips with the church.

Born on April 30, 1945 to the late Thomas and Eileen (Ray) Walters, he was raised on a local farm in Harlem Springs. He graduated from Carrollton High School, where he was on the wrestling team and a four year member of the FFA club. His journey continued at The Ohio State University, where he lived under the football stadium, working there to support his education and support all Ohio State athletics. In 1971, he proudly graduated from The Ohio State University Veterinary School. Upon graduation he immediately returned home to Carroll County to start his veterinarian practice.

For a remarkable 52 years, Doc served as veterinarian for Carroll County and the surrounding areas, leaving a lasting mark on the lives of countless animals and their owners. His commitment to the well-being of both pets and livestock was unwavering, earning him the respect and gratitude of the community he served.

Doc was an avid supporter of Ohio State, Carrollton, and Mogadore athletics. His passion was to attend Ohio State football games all around the country

with his family. He also forged strong connections and family bonds by attending Mogadore sporting events and any other competitive activities that his grandchildren and loved ones were involved in.

Beyond sports, Doc had a passion for giving back to his community through generous support and was recognized by several organizations including the Carroll County's Humane Society and community clinics, Carroll County Dairy Association, Carroll County Farm Bureau, Carroll County Animal Protection League, Junior Fair Board, 4-H, and the F.F.A.

Doc was not only a dedicated professional, but also an active member of the community. He was a member of the Pelican Club, played and coached men's softball teams, sponsored his family's basketball and softball teams, and owned many standardbred harness race horses over the years. He was inducted into the Carrollton High School Alumni Hall of Fame in 2009, the Farm Bureau Hall of Fame in 2015 and received a Carrollton Community Service Award in 2021. Also in 2015, he sacrificed attending his beloved Ohio State Buckeyes vs Michigan game to serve as the Grand Marshall at the Carrollton Christmas parade.

He will forever be remembered as a man whose kindness, generosity, and passion enriched the lives of those fortunate enough to know him. His legacy will continue to resonate in the hearts of the community he served and the countless lives he touched. Although he will be dearly missed, his spirit will live on in the memories of those who were privileged to share in his journey. Doc is survived by his three children, Sharon (Tavis) Walker, Wayne (Jennifer) Walters, and Sonia (Doug) Barcus; seven grandchildren, Emily, Noah, and Timothy Walker, Kendall and Cole Barcus, and Genevieve and Abbigail Walters; seven siblings, Donna (Bob) Modranski, Gerry (David) Marteney, Harry "Ken" (Laura) Walters, Bob (Charlotte) Walters, Patty (Keith) Barnett, Steve (Teresa) Walters, Dick (Brenda) Walters; and many nieces and nephews.

Funeral services will be held at 11:00 a.m. on Monday, January 29, 2024 at The Bridge, 170 Kensington Rd. NE Carrollton, Ohio 44615 with Rev. Dr.

Kimberly Arbaugh officiating. A private burial will be held. Visitation will be held on Sunday, January 28, 2024 from 4:00 p.m. until 7:00 p.m. at The Bridge. Family and friends are encouraged to wear their favorite Ohio State attire to the services to honor Doc Walters.

In lieu of flowers, donations can be made to the Carrollton First United Methodist Church at 253 S. Lisbon St. Carrollton, OH 44615 or the Carrollton FFA Alumni at 8343 Seemann Drive SW Carrollton, OH 44615. In the memo section please denote "In honor of Doc Walters"

“ I’m so sorry to hear of this! He was an amazing man, my favorite vet and mentor
He taught me so very much over the years, when I lived down there. I did animal rescue and rehoming for a very long time
I never could hv afforded what he taught me to care for this animals! I credit most of my animal med knowledge to him! He cared it wasn’t about the \$ to him! Period! God love him
Thanks Doc, you’ll never be forgotten 💕💕

“ Still in disbelief. John had the strongest constitution of anyone I've ever known. My memories of him are mainly from Ohio State in the late 60's, when he started grad school & I was a new freshman. (I'm Sharon, Wayne, & Sonia's aunt.) His sports photographic memory was intimidating! But he was very patient with me. He would quiz me on Big Ten mascots & head coaches lol! With that endearing twinkle in his eye, he could get away with his famous “merciless” teasing! Then after years of very little contact, my husband & I had the great privilege of being a “Holiday Inn” (his words) for a few days in March 2023 when he came to Columbus for treatment. He hadn't changed a bit! Quick-witted, so smart & fun—just easy to be with. Love watching any sport with Mr. Sports Encyclopedia. I cherish those days. It's a joy to read comments about his love for animals & exemplary service to his community. What a great loss for his family, Carroll County, and humankind in general. Prayers for you all 🙏

“ God Bless you "Doc" .
I had the privilege to work for Doc Walters while I was in high school. It was the most rewarding employment I ever held He taught me so much and I still hold to heart everything I learned from him. I never hesitated taking any of my animals to him for any type of veterinary care ! I have been out of school for 33 years, he never forgot me and always continued to crack jokes about how much I loved animals. Especially my house rabbit. Thank you for everything "Doc". You will be missed more than any words can express.
Condolences to all his Family.

“ We believe that it was in 1972 that Doc became our veterinarian for our dairy herd plus the farm dogs, cats and a few other exotic pets. We dispersed the herd in 1990 but continued to stay in contact with Doc as he had become like a member of the family. When we visited Doc just a few weeks ago, he was reminiscing about the names, habits and occupations of our eleven children. May he rest in peace. Bill & Pauline McKarns

“ Doc was one of the great ones. He was always so patient and kind, not only to animals but also to people. When my son was little he took the time to answer his questions and let him look at samples through a microscope despite the fact that he had a room full of patients. He was such a genuine person who lived out his faith in everything he did. My heartfelt sympathy and prayers go out to each of you as you navigate this new stage in life.

“ Doc John Walters was the best. He was a pillar of the Community and he gave so much to so many. His love and devotion to not just animals, his family, friends, and to many people who he touched their lives in so many good ways, and entities of the community, made him the best. Thank you and rest in peace forever with your Lord and Savior.

My husband and I have quite a history with Doc as he cared for our pets for many years. One time, in particular, stands out in my memory when our dog required care after hours. I called him to plead my case and he responded, "Bring him over." Throughout the years he championed the 4-Hers too. I'd say it is common knowledge that Doc was one of Carrollton's finest.
