“ I remember John as a neighbor there on Kensington Road just out of Carrollton, John came home from the Navy and then worked with me at the local NAPa store. He became an avid bass fisherman during that period. I also remember the red, white and blue TransAM that he treasured. Rest In Peace friend!

“ To John's brother Jim, niece Lacy, please accept my condolences. I worked with John at Gordon's Graphics. He was a good man. I was proud to call him my friend. My regret is we did not stay in touch. We girls at Gordon's were always touched by the love between him and Rusty. Their love was visible and sweet. What comforts me now with his passing is knowing he is with her, with his parents and nephew.
And to our friend, Jim Logan, I'm sorry for your pain and loss. -
