“ I just retired last February from Ohiomeansjobs after 41 years...from CETA to OMJ. I was fortunate to have worked with June for many of those years. My former co-workers and I agreed that June was not only a great employee but also a kind and caring person in many ways. She always helped staff with insurance issues and took time to check in with us about our personal lives. It was clear how much her family meant to her. June was a gem and sure left her mark on all who knew her. My condolences to all of the family.

“ Aunt June I will miss you so very much and I will definitely miss your hugs, I will cherish all of my childhood memories of having cookouts with you and my cousins. I will think of you often and I am sure you are up there still hugging all them grand babies and your mom and dad and all the others, seems like there's more family there with you than there are here , till we meet again ❤️
