

## Kathy Ann Shuman

April 11, 1949 - June 20, 2025

Kathy Ann Shuman, 76, of Carrollton, passed away Friday morning June 20, 2025, as she was holding her granddaughter Saraya's hand.

She was born April 11, 1949, daughter of the late Harry and Hilda Myers.

Along with her parents, Kathy was preceded in death by her loving husband, Albert Shuman; a daughter, Nannette; one brother, Charlie Myers; and three sisters, Dru Toland, Irene Trombetti, and Marge Myers.

Kathy worked as the St. John's Villa from September 1991 until she retired in January 2021. When talking to others that worked with her through the years, many said the same things. She was the most amazing midnight supervisor ever. She cared about the individuals as well as her staff. She was hardworking, caring, kind, and funny. She was knowledgeable and a role model for all. And she always had goodies to give them.

She was a huge Oak Ridge Boys fan; she traveled to concerts as much as she could to see them since 1986. Kathy attended her last concert in Hartville on June 14, she has a wonderful group of friends that she made over the years. A few of them wrote and gave "William Lee Golden", her favorite man on the planet, a note explaining her fading health. And to her surprise at 2 p.m. he called her to wish her well and that she will be greatly missed at the show

that night. Kathy seemed to perk up, got ready and went to the concert. Knowing this was her last outing was bittersweet. Kathy saw all her friends, the Oaks and William Lee in the final week of her life.

Kathy is survived by two sons, Brian (Mia) Shuman of Carrollton and Jeffrey (Tammy) Shuman of Carrollton; four grandchildren, Saraya Shuman, Basia (Cullen) Moore, Haidyn Shuman, and Kolton Shuman; and one great granddaughter, Lela Moore.

Kathy requested there be no services, she wanted her family and friends to know she fought cancer as long as she could, and not to be sad just to remember the good times.

“ Kathy - my heart breaks- however I know she fought the good fight and kept a positive attitude as best she could. Kathy took care of our sweet Superman Dustin for all of his time at St John’s Villa. When Dustin left us and went to Heaven, Kathy has not quit keeping in touch with me and checking in every 10th. Dustin died on the 10th and I told her how the 10th of every month was hard. From that point on she checked on me every month on the 10th and we chatted. Heaven has gained a very special woman. RIP Kathy.

“ My deepest condolences to Jeff, Brian, and all of the family. I spent nearly as much time there as I did at home growing up, and still called her mom anytime I saw or spoke to her. Kathy was always quick to make sure we knew we were welcome even when she was busy and tired from work. The world was a better place with her in it.

“ I worked with Kathy for 10 years and even after I left the Villa she was faithful to keep in touch. When we lost our granddaughter, she was a wonderful support. She was always so encouraging and had such a great sense of humor. I love snow and was lamenting one year that we didn't have any, the next thing I knew she showed up with a whole bowl of fake snow and put it on my desk! No matter what was going on in life she could be found with a smile on her face and some uplifting word. I spoke to her a month before she passed and she told me she was not doing well and guessed she would be finally enjoying retirement in heaven. What a blessing it is to have known her and I am so happy she got that last concert and conversation. Praying for all of you, she will definitely be missed.
