

## Keith Korner

November 3, 1968 - February 17, 2023

Keith Korner, 54, of Ravenna, Ohio, passed away on February 17th, 2023 at Aurora Manor Special Care Centre in Aurora, OH. Keith was born in Cleveland, OH on November 3rd, 1968. Keith grew up in Aurora and attended Columbus College of Art and Design where he graduated with a degree in Industrial Design. After graduation, Keith's entrepreneurial and artistic spirit came to life as he began working in the haunted house industry. Keith, realizing the need for haunted house props and materials, became a pioneer in the industry by starting a manufacturing company focusing on pneumatic props and vacuum formed panels. If you've been to one of your local haunted houses, chances are, you've been scared by one of many terrifying props Keith designed and created.

Later in life, Keith found interest in politics and government. Keith volunteered his time to shop with a cop in Ravenna, helped candidates and friends with election/reelection campaigns, served on the grand jury and was a proud member of the Fraternal Order of Eagles Ravenna 2164. Keith was also a superfan of Star Wars, some may say fanatic. Keith had many friends and would help out anyone in need.

Keith was preceded in death by his parents Patricia Tipton Korner and Allen Korner. Keith is survived by his siblings Kraig (Devon) Korner, Todd Korner and Audrey (Thomas) Peters. He is also survived by his nephews Dominic,

Dylan, Zackary, Gavin and Jaxson.

A graveside service will be held at Unionport Cemetery on Monday, March 6th at 11 am across from 118 Mull Dr., Bloomingdale, OH.

A celebration of life will be held on Sunday, April 2nd at the Fraternal Order of Eagles hall located at 812 Cleveland Street in Ravenna, OH at 1pm.

"A great leap forward often requires first taking two steps back."

"The Force will be with you...Always."

Dodds Funeral Home assisted the family with services.

“ I was sorry to hear about Keith. I remember him from high school, when he dated my sister. I remember his Star Wars themed wedding, when he married my sister. But most of all, I remember all the times we'd see him at holidays, and his laugh. Both of my girls adored their uncle, even if it were only for a few years.
