“ I knew Linda at Mount Union, and some years after graduation we found each other on social media, so I enjoyed a regular correspondence with her. She was a tough, positive-minded and wonderful person. She will be missed.

“ Dear Tom and Dan, I am sorry for your loss of Linda, your wife and mother. Even though we were separated by miles, I thought about her often and had fond memories of our high school antics, lunches in the cafeteria, her 16th birthday party, and her car named Digby. There are more sweet memories of Linda, and God gives us those memories to help us get through this difficult time. Memories of her patience, kindness, and ability to teach will help us continue her legacy. She no longer has to be aggravated with aches and pains because she is now in oease, perfect peace. “ Dear Linda...I am so saddened by your passing. You were one of the first friends I made when I moved to Mayfield Heights in the ninth grade and you remained my good friend for years after that. Although we lost touch long ago, I remember you with fond memories of our times together and pray that you are at peace and free of pain. God bless you and, as Carol says, Heaven has a new angel.

“ Sweet Linda! I just heard the sad news. Linda and I met in junior high school (Mayfield Heights) and became fast friends. Classes together and hanging out away from school. Been in touch ever since. Hoping you are pain free and worry free at last. Heaven has a new angel-my sweet friend.

“ Linda was my Alpha Mu Chapter, Delta Kappa Gamma sister and friend. She was an inspiration to me. Her battle with breast cancer and being a survivor taught me to never give up on any battle, which strengthened me when I recovered from a stroke. Her power to persevere always spoke volumes to me. She will be remembered in my heart forever. She was a kind and gentle soul. Mr. Anderson, Dan, and family you have my deepest sympathies.
