“ I am at a loss for words, I cannot believe she is gone. But I'll say that we met in college, and graduated in 2011 from Stark State. She was my lab partner and friend. Lorrie and our classmates were very close and we would get together occasionally for dinner. Our classmate Becky had a birthday party today, and Lorrie was supposed to meet me there. I was so looking forward to seeing Lorrie. She was the definition of kind, sweet, and beauty. My condolences to her family.

“ *I have known Lorrie since grade school. We were in Brownies together, where her Mom was our Brownie leader, and later became neighbors. We even went on a group cruise a few years ago. It was her first cruise and she was so excited! Lorrie was such a sweet soul and my prayers go out to her family. She will be sorely missed.*

“ *I was working in Carrollton during the time Lorrie worked at Thornes. We had never met but shared the same last name. So I decided we needed to meet. I went into Thornes to introduce myself. I immediately felt a connection. She was such a sweetheart. I would make a point to see her at Thornes, and the Board of Elections every time I was in town.*

My condolences and prayers for you all.

“ I have never met such a sweet girl. Lorrie was a gift from God. I pray Jesus has her by his side so she knows that she is loved. Everyone deserves love and kindness here on earth. Treat others as you want to be treated. Such a blessing. Rest in Heaven my dear friend.
