“ *He was a sweetheart. Was in school with him and later in life drank some beer with him. We were a poor family, we wore hand me downs and other kids made fun of us. I forget what grade we were in had to be before high school cause I dropped out by then. But Dick knew the teacher and year... they assigned seats back then and he was already in his when he saw me.. Said he kept thinking "Don't set her by me." And don't ya know they did and he didn't like it. He was telling me this and we were around 30...He said, "Now if someone messed with you I'd have to give them a beating!" He's the one that gave me my nickname that some still call me: BIG BEV! My heart goes out to all his family.*
