“ Dear Boone Family, My Wife and I are very sorry to hear of the loss of your dear son. The death of a child is the most painful losses a human can experience. We hope it comforts you to know that God never meant for us to experience this kind of loss.(Romans 5:12) (James 1:13)He has the power to undo such losses.We know this is true because he empowered men in bible times to resurrect the dead.(1 kings17:17-23)&(Mark 5:35-43)These accounts are a source of hope and comfort. It shows that God understands the grief of parents who have lost a child in death. These resurrections performed by Elisha and Jesus are just 2 of many recorded in the bible.They are a token of what God promises to do in the very near future.(John 11:25)(John 5:28,29) These promises and many more are soon to be a reality.(Psalms 37:10,11&29) We know these promises will not eliminate the pain of losing your dear son. But maybe the thought of being able to hold him again will make your pain easier to bear. My wife and I pray that your family find peace and comfort in God's promises for the future.If we can be of any assistance please contact us.

“ Mike, Rhonda, Alyssa & Tabitha, There are no words that can even begin to come close to express my deepest sympathies to you. I dont have to tell you what an amazing man Mikey was because you already know that. I pray that in time you will be able to look back and smile at all of the memories, hold them close and cherish them forever. To Mikey, I know your looking down on everyone and I know you don't want everyone hurting like they are but I also know there was a reason why you had to leave us. There was a reason why God needed you more than we do. You had a smile like no other. You touched so many peoples lives. Looking on facebook its truly amazing to see people from all over that have nothing but great things to say about you and that's because you were just a great person. May you rest in peace and watch over your family and friends and give everyone the strength they will need to get through this. I will cherish my memories with you always. Love Casey
