“ *Peggy, to you and your family, I will always remember your dad as the fun loving and joking person he was. He was all about living his life his way and I respected that.*

It was my pleasure to get to know him and you and to be a small part of your lives.

I'm so sorry I will not be able to make it to calling hours or the service, but know you are in my thoughts and prayers.

“ Today is a sad day to hear of Mike's passing. He was my diesel buddy and if I couldn't figure out was was wrong, I could always ask Mike. He could always, at least steer me in the right direction. And that also worked for Mike as well. He could always ask a Williams boy for our advise with issues he's having. The Hill won't be the same without him! Mike was a great man with a lot of friends that cared and respected him. He will be very missed! - The Williams Family.
