“ Dear Reed Family, My sincere condolences on the loss of your loved one. I am a grade school/high school friend of Betty and visited your home many times during our school years. Mr. Reed was always kind, generous and humerous and the family atmosphere was always calm and loving. Even though I haven't seen or spoke to Betty or her family in quite some time, I wanted to express my sadness to you in this time of such a great loss, not only to the immediate family, but the loss to our community as well of such a fine person.
