“ I am so sorry for your loss. Nancy was a terrific lady. We worked together at Kishman's for many years in the office and shared lots of laughs and good times. We kept in touch throughout the years and always reminisced of our Kishman years. Peace and love to your family. Jeri Budinsky Tocco

“ Smiling most of the time, stern when she needed to be, and always making time for a good laugh. I worked at IGA during high school. Nancy showed me the ropes and taught me a thing or two about life in the process.  
I'm sorry for your loss. Prayers!
