“ Was so sorry to read this. I always admired Norma from a first time I met her years ago. She was a beautiful lady inside and out. No matter where I met her she always had a warm hello and a big smile. Rest in peace Norma.

“ Aunt Norma is an inspiration to me. She had so much love in her heart and it sure showed. She had a wall of pictures of all the family and you could tell she treasured what mattered most. I had great memories going down to the farm as child and wanted my kids to have memories going there too. I can only hope to be remembered as she is going to be remembered. Rest In Peace Aunt Norma.

“ Aunt Norma was always the special aunt to me who welcomed you into her house with love and kindness. She was always ready to feed you around the kitchen table. I always thought of her as my second mother. I will always remember spending summer vacation and deer hunting with Aunt Norma and Uncle Art. You will always be in my heart. Love Bob Albaugh

“ Aunt Norma was truly one of a kind and very special to all of us who knew her! Some of my favorite memories were Saturday afternoons at their house watching TV and her always making fudge or some other treat for all the cousins. Fortunately, we just got to see her last week and it was a day I will always treasure. God Bless and everyone should take comfort in the knowledge that she is now together with all of our family that have gone before us! Rest in Peace, Love Bill Albaugh
