“ Patti touched so many lives. She was loved by many and will be missed. She left a very special gift to everyone in Carroll County...a transit legacy....she was instrumental in the building of a brand new transit facility. Patti put her heart and soul in everything she worked on in her life. Special memories from your friends in the Office of Transit, Columbus.

“ *Such devastating news. Patti was a truly wonderful person as was the family she has. I often through life have thought about happy couples/family and there have only been a handful and the Manfulls were always on that small list. She will be missed by many and my heart goes out to you all. Strength to get through the hard times and Peace within you knowing she is always there in the sunshine, the rainbows and the butterflies. <3*
