“ I met Patti many years ago in a women's golf league. I needed a partner and she volunteered. I was so bad, and she was so patient and helpful. Patti was just a giving, quiet person. I'm so blessed to have gotten to know her.

“ *Patti always invited me to the banquets, picnics, etc., that the McCook USBC WBA had throughout the years. I always told her that she just invited me to get my quarters, because they always played games where they knew they would be winning my quarters. She made me feel like a part of their group. I felt as if the McCook Association was my second association. Truly enjoyed when we would get together during the summer and played golf. Patti, Joan, Bonnie and myself and sometimes even invited Michael and Bill to go with us. She was a lovely person and so talented with her arts and crafts. We even shared time with her at Guilford Lake, which she and Michael loved spending time at. Patti was a truly amazing person and now God has her with him to share all of her many talents, he called home another angel. She will be having them doing crafts in heaven.*
