“ *My sympathies are with the Zitko family. Death is such a sad time. Jesus said in John 5:28 "the hour is coming in which all those in the graves will hear my voice and come out."*

“ To the family we want to thank you for the sharing of your father, grandfather and great grandfather. We were blessed to know Paul and Betty through our daughter-in-law Christina. My mother absolutely loved your parents as they reached out to her the minute they met her and enveloped her in their love. They did that with everyone I came to find out personally and I know that their faith and love has been transferred to each and everyone of you. Paul was God's blessings to your family and to each one who had the pleasure of being placed in his path. God always shows us he "knows" what we need and when we need it most. My wish is that you always treasure the memories and smiles that are left behind and pass them on to each generation that that may also know their GREATGrandpa
