“ I have known Penny since I was in diapers. She has and always will be a second mother to me. Words cannot describe the love I have for her and the genuine love she gave to others. A void will be forever in my heart and I will miss her dearly. I know where she is and she will love it there.. no pain, no suffering, completely new self and to be with the ones that she has missed. God will take care of her and we will all get to see that bright shining face and that contagious laugh of hers when the time is right.

“Penny and I met when we both worked at PCC Airfoils in Minerva, OH. From the first time I sat next to her at work, it felt like I had known her forever. Where it usually takes others quite awhile to earn my trust, Penny worked her way into becoming one of my very best friends in a such a short time. We always got along, and I cannot recall one time in our 21 year friendship that we had a fight or even disagreed for that matter. Penny had such a big heart and would do anything to help out anyone that she knew and loved. She was there for me countless times, especially during the last 10 years that I have been dealing with my own health problems. One time I remember early on in our friendship, I had just given birth to my daughter. She was maybe 2 or 3 weeks old and Penny called to check on me. She could tell right away something was off and asked me what was wrong. I started sobbing and telling her I felt like a terrible mother, and that I felt like I wasn't paying enough attention to my son, who at that time was only 26 months old. So Penny being the wonderful person she was told me to relax and that she would be there ASAP. She left her house in Scio immediately and drove all the way to my home in Malvern. When I answered the door, she asked me to hand her the baby and told me to go take a nice long shower. She then took care of my newborn and played with my son while I was able to enjoy a shower without rushing, and then made me eat something when I got out. She knew exactly what I needed and made sure that her friend was taken care of. That is the kind of beautiful person and friend Penny was, and will always be in my heart. I have so many wonderful memories that include her, especially a few of our late night adventures we took to Mountaineer Casino. We laughed until our sides hurt when we got lost after following a not so great labeled detour to Meadowwinds Casino in PA. I was always guaranteed to have a great time filled with lots of laughter when I spent time with Penny!! To Jeff, Natasha, Anthony, Virginia, her grandbabies, and the rest of her family, I am deeply sorry for your loss. Penny was and is by far one of the absolute best people I have ever known. She touched so many people's lives and will be forever missed by myself and so many others. I pray God gives you comfort and eases your pain as

*each day passes. God Bless each one of you. ❤️*
