“ *Phillis Mills was my great grandma. We always liked to bake chocolate cookies together. I was the only one that knew the secret recipe to the chocolate cookies. Whenever I went over there i took a nap and My great Grandpa (Paul Mills) he would always let me have a pepsi before my nap. My grandma would give him the look. Lol. I laughed a lot. If she reads this i just wan't her to know that i love her a really miss her.*

“ Grandma I love you beyond words could ever write. I'm glad you are
no longer in pain but, the pain of you being gone and me not being
able to pick up the phone and tell you about my day is breaking my
heart. May you Rest In Peace. Yes my grandma is cooler than
anyone's!
